

Put your
heart into
hospice as
a hospice
volunteer
today.

Evercare Hospice is looking for compassionate volunteers to work directly with patients and their families to provide companionship and emotional support, to assist with administrative duties and to help with special projects and events.

What can you *give* as a volunteer?

- Time, attention and care to our patients and families through:
 - Companion visits
 - Caregiver support
 - Errands
 - Life review
 - Pet visitation
- Administrative support to our office staff
- Assistance for special events and projects

What are the *benefits* to volunteering?

- Continual support from the Volunteer Coordinator and members of the Interdisciplinary Team
- Orientation Training Program and ongoing educational opportunities
- Ongoing recognition for your work as a volunteer
- Opportunities to interact and work with the Interdisciplinary Team
- The reward and fulfillment of being available to people in their life's last journey
